

FURNITURE PREP

Step by Step

1. Refer to supply list and gather all supplies.
2. Remove hardware and store in safe place.
3. Determine method of sanding. Remove drawers. Take safety precautions and begin sanding to remove any previous finish and smooth out any imperfections. ****Does not need to be sanded all the way to bare wood****
4. Combine White Lightening and water in spray bottle for cleaning solution.
5. Begin spraying cleaner onto furniture, section by section. Wipe dry with microfiber towel making sure to clean out all sanding particles from all cracks and crevices. Repeat as needed.
