

PAINTING
STRIPES W/ FROG TAPE

Step by Step

1. Refer to supply list and gather all supplies.
2. Determine tape size.
3. If centering stripes within a trimmed panel, find center.
4. Apply first piece of tape.
5. Measure out next stripe. Apply tape. Repeat until covered.
6. Making sure all tape is pressed down completely, begin painting one stripe at a time. Remove each piece of tape as paint is wet.

****if second coat is needed, remove tape while second coat is wet****
